An introduction to Stabilo® Ergonomics

Stabilo's ergonomic designed products focus on comfort and efficiency. Using an ergonomic pen or pencil helps to avoid unhealthy stress, tiredness and potential damage to the posture of the hand. Therefore, it is vital to have the correct material during the most important part of a child's life: SCHOOL.

- Developed especially for children in an ergonomic shape that is appropriate for their age and hand size.
- Special designs are available for left- and right-handed users.
- They provide a light secure grip.

Stabilo® EASYgraph

Ergonomic pencil

The first ergonomic pencil especially for left- or right-handers. Yellow and red color coding at the end of the pencil indicates left- or right-handed versions. Degree: HB.

3POHO1211 Left
