## Ultimate in Storage

### Link 51 Handy Angle

The ultimate in storage solution for your warehouse or archiving needs. Handy angle is the ideal shelving and framing material. Versatile-economical-simple. No welding, painting or drilling. It's all been done for you. Made from strong, consistently reliable cold rolled steel, phosphatized and double coat painted. Complete units can be supplied in all heights (max 12'6"). The units can be supplied in 4 different upright-strengths to cater to the widest range of applications. The Handy Angle steel shelves are made from cold rolled mild steel and are available in various depths (width of 36" is standard). Can be fixed with bolts or clips for quick adjustability. Shelves are light grey, uprights dark grey. All accessories are available separately.

# Be more Efficient

### Vertical filing cabinet.

The most economical and widely used filing method. Requires minimal floorspace. One piece steel shell. Drawers fitted with concealed telescopic runners. Anti-tilt safety mechanism ensures that only one drawer can be opened at a time. Central locking. Suitable for all sizes of files with the exception of letter size. Frames for letter size hanging folders are available on page 107.

Dimensions: 46 x 62 cm  
4 drawer height: 132 cm

Stock nr.	Color:
4KAFK0052	grey
4KAFK0053	beige
4KAFK0054	black
4KAFK0041	graphite (slightly different version cabinet)

### Lateral filing cabinet.

42" (106,7 cm) case width with drawers, 19¼" case depth (48,9 cm). Legal, letter, folio and A4 filing possible. Standard interchangeable core removable locks. Three part, telescoping, slide suspension operates on steel ball-bearings. Features drawer extension restraint; mechanical interlock inhibits the extension of more than one drawer at a time. Four adjustable leveling glides. Two adjustable hangrails per drawer for side-to-side filing. Bright anodized aluminum recessed drawer pull / plastic label holder.

4 drawer lateral filing cabinet

Stock nr.	Color:
4KAFK5750	black
4KAFK5751	graphite
4KAFK5752	grey
4KAFK5753	beige

**"Lateral files are the most efficient means of conventional filing. Ideal for active filing in the workplace, where higher volume capacity is necessary and retrieval is frequent"**
